

Give the gift of Better World!

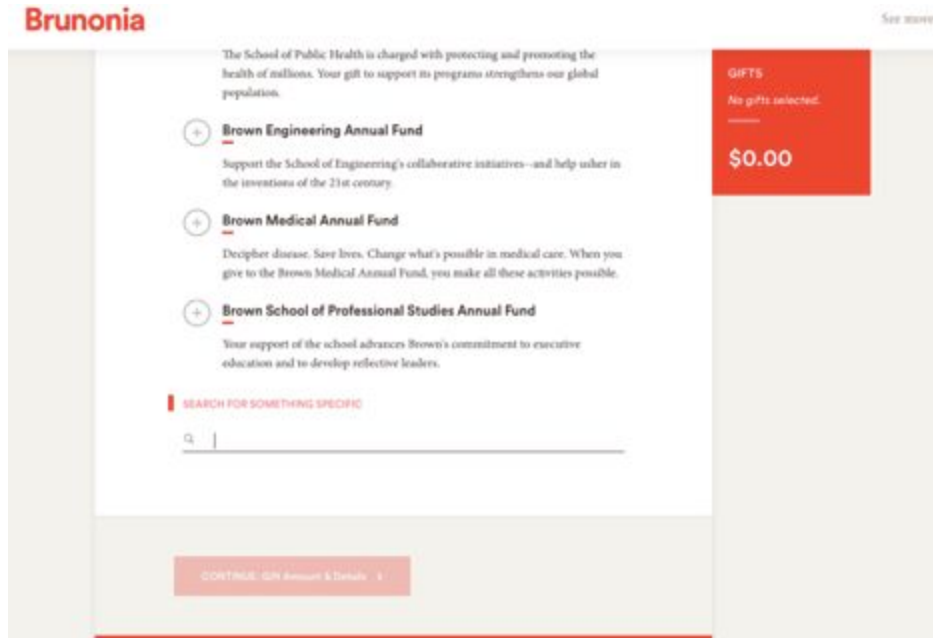

Despite significantly reducing ticket prices in 2019, your donation will allow us to provide students attendance at Better World by Design free of charge. Purchase a Better World by Design ticket for a student. Every \$10 you donate will go towards a ticket fund for individuals who need financial assistance to attend our conference. You can donate online using the following guide or mail a check directly to:

Box 1930
Providence, RI 02912

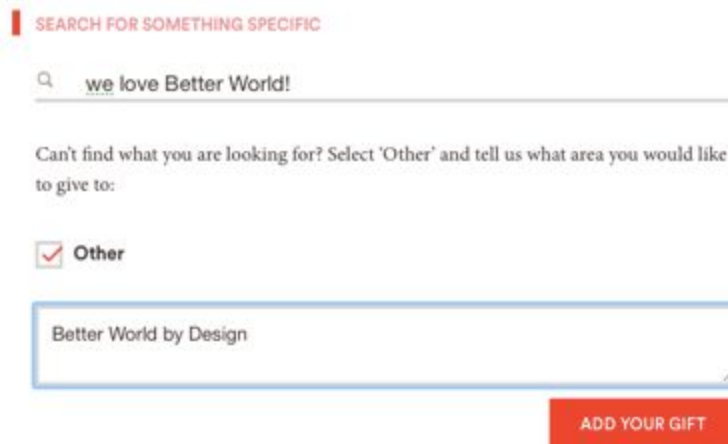

Note: If ticket donations exceed our anticipated amount, your contribution will go towards our Annual Speaker Fund to bring more amazing speakers to our future conferences.

Steps:

1) Go to <https://bbis.advancement.brown.edu/bbphenix/brunonia/give-now> and scroll down.

2) Type anything in “Search for something specific” — this will prompt the website to give you the “Other” option. When that happens, check the ‘Other’ box. Now you can enter Better World by Design!

SEARCH FOR SOMETHING SPECIFIC

we love Better World!

Can't find what you are looking for? Select 'Other' and tell us what area you would like to give to:

Other

Better World by Design

ADD YOUR GIFT

3) Click “Add your gift” and follow the prompts given by the form! Every \$10 you donate will go towards a ticket that we will raffle off to Brown or RISD students in need. Let’s try to make Better World a possibility for everyone!

FAQs

Are my donations tax deductible?

YES! After you donate, you will receive an email with your tax information.

Can I donate through GoFundMe or Kickstarter?

Brown University policies doesn’t allow student clubs to accept donations through 3rd party websites in case of fraud, so this is the best way to keep you safe!

I love Better World by Design! I want to donate towards another cause that helps Better World by Design or help in some other way!

We’d love to hear from you! Please email development@betterworldxdesign.com for donations & content@betterworldxdesign.com for information on speaking at the conference.
